Need a 2ND Trash or Recycling Cart?

Your Municipal Utility District pays for 1 trash and 1 recycling cart for each home. If you would like a 2nd cart, an account will be set up under your name and an invoice will be billed to you quarterly. The cost of a 2nd cart would be \$18.50 every 3 months plus tax. No delivery, removal or exchange fees will be billed. Republic Service will still own the cart and will provide any maintenance needed at no extra charge.

Please complete form if you would like a 2nd cart and email to bnussa@republicservices.com. Thank you.
